When I look back at these photos, I am filled with awe at what God has done this past year. This year, pastors and leaders came behind UniteBoston's work in unprecedented ways.

In September, we coordinated 10 Days of Prayer throughout the city, and this year we videoed testimonies of how God shaped our perspectives and renewed our faith! Listen to these at [www.uniteboston.com/testimony](http://www.uniteboston.com/testimony)

"As a UB Rep, it's been most exciting to see how many different people are energized by a common hope for Christian unity."

- Cooper McCullough, UB Rep: Brighton

"I very much appreciate the ministry of Unite Boston in bringing a diverse expression of the Body of Christ together for prayer, service and fellowship."

-Pastor Tom Griffith, River of Life Church

# UniteBoston is growing by leaps and bounds!

OVER 191 PEOPLE WERE INVOLVED IN BOSTONSERVE FROM 27 COMMUNITY GROUPS - AND READ THIS STORY!

On October 24, we were honored to partner with Greater Things for Greater Boston to coordinate BostonServe.

One of the projects was North River Community Church and People's Baptist Church repairing windows and window shades throughout the Timilty School building (see photo at right.) Non-functioning window shades were the teachers' biggest frustration and made some teachers on the lower level of the school feel unsafe after hours.

About a month later, there was a shooting in a local park next to the school, forcing a lock-down at school for most of the day. Pastor Paul wrote, "The report we received was that without functioning window shades they would not have been able to comply with these basic safety measures. When I heard that report, I knew right then that the Lord had directly sent us to fix those windows and shades to allow those teachers and students to have a measure of safety and protection in the midst of a tense situation."

As you can see, God is doing great things in Boston! Thanks for being a part of it!

Love,

Kelly and the whole UniteBoston team

## UNITEBOSTON REPS

WE LAUNCHED TEN UB REPS LAST JANUARY, WHO BUILD RELATIONAL CONNECTIONS AMONG PASTORS AND CITY LEADERS IN A SPECIFIC GEOGRAPHIC REGION OF BOSTON. THEY HELPED TO PLAN OUR 10 DAYS OF PRAYER AND COORDINATE BOSTONSERVE.
