Dear pastors and leaders,

There is something powerful about worshipping Jesus together.

Last year, we hosted our first night of worship in the Boston Common, and we were blown away to hear story after story about how God met people through lifting up the name of Jesus in public worship.

I want to personally invite you to attend this year's summer worship night, which will be on **Thursday August 16th from 7:00 to 9:00pm in the Parkman Bandstand in the Boston Common**. Our goal is to create a unique worship environment for all to come together and experience the love of Jesus.

We have been amazed at the diversity of people from a range of denominations and ethnic backgrounds that God has brought to our worship team this year. The many talented musicians include: gospel singers, a Catholic songwriter, Messianic Jewish musicians, a Pentecostal Indonesian jazz pianist, a Christian rapper, and a Latino worship leader. There is one thing that we have in common: to see the name of Jesus lifted up over our city.

Here are some of the ways you can help:

1. **Spread the word** - We appreciate your help getting the word out to congregation members and colleagues through church announcements, Facebook invites, and email newsletters.
2. **Host a Table** - This year, we have the opportunity for churches to host a table during the worship night. This is a great opportunity to help spread the word about your church, ministry, or faith-based organization to those who will be attending. The cost for this is \$100 for organizations with no staff members, \$150 for organizations with one staff member, or \$250 for organizations with two or more staff.

3. **Donate** - This event requires a variety of resources, including supplies, equipment rentals, and food. We would be honored if you would consider donating to help make this event successful:  
[www.uniteboston.com/give](http://www.uniteboston.com/give) For donations greater than \$50, we will give you a free “One City One Church: BostonServe” Tee Shirt
4. **Pray** - Prayer makes a huge difference! Pray for smooth logistics, for unity among the various volunteer teams, for God’s presence to be made manifest through the worship team, for financial provision, and strong communication and advocacy for the worship night among the varied church networks in our city.

A movement is emerging to worship Jesus together, and we’d love to have you join in! Thanks for your commitment to Christ’s church in Boston!
