## Sponsorship Information for Boston Flourish

On **November 16, 2023**, we are inviting clergy, nonprofit leaders, students, and working professionals of the city to a one-day conference to celebrate, strategize and mobilize. We will celebrate where God is working, strategize how the church of Boston can better impact three key unacceptable realities, and consider how to bring God's love more tangibly to our neighbors.

We are inviting local organizations and businesses to sponsor this initiative. The provided funds help to go towards the food, supplies, and staff time for hosting this initiative. Below are the sponsoring levels.

### **\$2500+**
