Dear Pastors and Ministry Leaders,

The United Gospel Experience Team is delighted to invite your congregation to join us for the United Gospel Experience Tour at **Morningstar Baptist Church** on **Saturday, April 18, 2026**. This dynamic evening of worship will begin promptly at **4:30 PM** and conclude around **6:30 PM**.

The United Gospel Experience features a powerful choir of voices from across New England. What began as five individual college gospel choirs has now grown into a movement that celebrates unity in the body of Christ through music, praise, and testimony. Students from different campuses come together not only to sing, but to proclaim the truth of the Gospel, and lives are changed as we lift high the name of Jesus. This year we are gathering under the theme “***Come Together, Stay Together, Worship Together***” with the reminder of Christ’s promise in **Matthew 18:20**, “For where two or three are gathered together in my name, there am I in the midst of them.”

The schools that are part of this ministry this year include:

- **Gordon College** (Wenham, MA)
- **University of Massachusetts Lowell** (Lowell, MA)
- **Trinity College** (Hartford, CT)
- **University of Hartford** (Hartford, CT)
- **Providence College** (Providence, RI)

This stop in Boston is especially meaningful as we close out the second year of our tour with a finale concert! We also seek to build stronger connections with local churches in the area. We would be honored to **welcome pastors as esteemed guests for the evening**. Churches and organizations can also **host informational tables** so attendees can learn more and get connected to your ministry. Please let us know if you will be coming so we can plan accordingly and honor you in the program!
